INDEPENDENT AUDITOR'S REPORT

We have audited the accompanying financial statements of the Association for sustainable development "MILIEUKONTAKT Macedonia ", Skopje (in the following text "the Association"), which comprise the Balance Sheet as of 31 December 2017, the Statement of Revenues and Expenses and Statement of Changes in Funds for the year then ended and a summary of significant accounting policies and other explanatory notes.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the Accounting Law for Non-profit Organizations and the standards for reporting under the cash basis of accounting and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the auditing standards applicable in the Republic of Macedonia. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

1. ESTABLISHMENT AND ACTIVITY OF THE ASSOCIATION

Association for sustainable development "MILIEUKONTAKT MACEDONIA" is citizen's organization founded according to the Law for Associations and Foundations. The Association was established on 23 February 2012 and registered in Central Register of the Republic of Macedonia.

The association works in accordance with the Law on Associations and Foundations and its Statute, in fulfillment of the following objectives: preparation and implementation of projects, programs, plans and activities for sustainable development, performing of public interest activities in the environmental protection and sustainable development, building of the capacity of civil society organizations, local government and the business sector in line with sustainable development, strengthening the cooperation between all society contributors at local, national and international level to promote the values of sustainable development, advocacy and lobbying on issues related to civil society and sustainable development, initiatives for promoting sustainable development of local communities, public participation in decision-making in the field of sustainable development, access to information in the field of sustainable development and raising public awareness of sustainable development.

The Association head office is located in Skopje, at Bukureshka 133b.

The Association finances its activities from the following sources: Income from donations, contributions and sponsorships, from the Budget of The Republic of Macedonia and its local governments, providing services to third parties and other sources of funds prescribed by law and statute.

The total number of the employees as of 31 December 2017 amounts 9 employees (31 December 2016 was 11 employees).

2. BASIS FOR PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS

The financial statements of the Association are conducted in accordance with the Non-Profit Organization Accounting Law and the International accounting standards for the public sector on cash basis published in the Republic of Macedonia for presentation of the balance sheet items, balances of the assets, liabilities, sources of the assets, revenues and expenses, and the operating results on true, fair, confidential, complete, punctual basis.

The amounts in the statements and the notes are stated in MKD thousand, except when otherwise indicated in the text.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 December 2017

All amounts are expressed in MKD thousand, unless otherwise stated

3. BASIC ACCOUNTING POLICIES

The basic accounting policies used for preparation of the financial statements are listed in the following text. The accounting policies of the Association are being adequately applied from year to year.

3.1. Cash and cash equivalents

The Association's cash comprises of the cash on hand and the cash on bank accounts in the commercial banks.

Money at the cash account and at the bank accounts stated in domestic currency are presented in the general ledger at their nominal value, while the foreign exchange currency is stated according to the exchange rate of NBRM at the reporting date.

3.2. Material and non-material investments

Material and non-material assets are stated at their cost value. The cost of the fixed assets comprise the purchasing price increased for the import customs, VAT, manipulative expenses and all other expenses that can be added to the cost, i.e. to the purchasing expenses. The operating fund of the Association increases for the amount of the value of fixed assets purchased.

The revaluation of fixed assets (tangible and intangible assets) is performed because of additional valuation if the annual inflation rate, measured with the official industrial product price index, is higher than 30%. Revaluation basis is the cost of the assets.

Revaluated i.e. market value of the assets is determined by indexing.

3.3. Depreciation

Tangible and intangible assets (fixed assets) are depreciated using the straight-line method, so their cost and revaluated amount are depreciated in equal annual amounts during the estimated utilization period of the fixed assets.

The amount of the current depreciation is recorded on the burden of the operating fund.

The depreciation rates, applied by the Association in 2017 are as follows: 10-25% for equipment, 25% for vehicle, 20% for furniture, 25% for computer equipment and 20% for intangible assets.

The calculation of the depreciation is performed separately for each item, and not for groups of assets.

NOTES TO THE FINANCIAL STATEMENTS

For the Year Ended 31 December 2017

All amounts are expressed in MKD thousand, unless otherwise stated

3. BASIC ACCOUNTING POLICIES (Continued)**3.4. Inventories**

Inventories of materials are stated at their cost value. The operating fund of the Association increases for the amount of the value of fixed assets purchased. Inventories of materials are reduced in the time of their spending and also reduces operating fund.

Small value inventories comprise those long-term assets whose value at the time of purchase is less than 100 EUR in MKD. Small inventory is written off once fully in the moment of purchase.

3.5. Recognition of the revenues and expenses

Revenues and expenses of the non-profit organizations are recognized according to the modified accrual basis of accounting.

According to the modified accrual basis of accounting the revenues i.e. expenses are recognized in the accounting period of calculation in which they appear under criteria of measurement and availability. Revenues i.e. expenses are measurable when they can be stated by their value. Revenues i.e. expenses are available when they are realized, i.e. when they appear (paid) in the accounting period or within the period of 30 days after the accounting period, under condition to be related to the accounting period and serve for payment of the liabilities for the period (if liabilities for payment appear in the accounting period).

3.6. Amounts stated in foreign currency

The transactions in foreign currency are stated in MKD according to the Official exchange rate of NBRM at the date of transaction.

Foreign exchange assets and liabilities of the balance sheet are stated in MKD according to the official exchange rates on the balance sheet date.

The Income Statement includes the net foreign exchange gains and losses that resulted from the conversion of the amounts in foreign currency in the period when they occur.

The average (closing) exchange rates of the denar related to the foreign exchange currencies (for one unit of foreign exchange currency) as of 31 December 2017 are as follows:
